

OUR BIG KITCHEN'S BIRTHDAY PARTIES

At Our Big Kitchen our Birthday parties are fun, exciting, rewarding and a charitable experience for your children. Best of all, whilst the kids are occupied by our party host, the entire event is completely hassle free for you.

Your child and their guests will enjoy baking and decorating delicious party food that is then packaged up for all guests to take home. At OBK, we teach kids the importance of giving so we always make sure that guests leave with two of whatever they made, one for them and one to make someone else happy. As well as this, we encourage kids to always think of others and do this by explaining to them that some of what they make today will go with the Clown Doctor to help other kids who aren't doing too well.

No hassles one stop shop! – We set up, run the party, provide food, décor, entertainment, cake and clean up.

OBK'S BIRTHDAY PARTIES EMPOWER CHILDREN TO:

- Connect and interact with friends in a meaningful way
- Make a tangible difference by giving back to the community together
- Engage in a wider community and connect to growing a community.
- Learn about giving, sharing, respect, love, kindness and gratitude
- Understand others and grow compassion and kindness
- Learn new cooking skills, and have fun.
- Demonstrates your commitment to social responsibility in a practical way.

HOW SCHOOL PROGRAMS SUPPORT OBK:

By baking cookies together we are showing that we care. A simple handmade biscuit with a note from someone gives a person dignity and love, we do massive biscuit drives to share kindness across our community. Without the support of families coming in and baking together we would not be able to achieve our cookie drive goals.

Our belief is through giving we empower and connect people. We hope to build a larger community of givers and by more families participating we hope to spread this giving belief.

Running a large commercial kitchen and a charity does have costs. By having these school programs it contributes to OBK's running costs. These programs are how we hope to stay sustainable as a charity and continue to grow.

BIRTHDAY PARTIES – AGE 3 – 8

Duration: 1.5 hours
